New York City.

Dear Mr. Jones:

For a number of years, the Medallic ArthCompany have offered to strike for our museum collection, specimens of the medals which have been issued by them, providing we can obtain permission either from the artist, or the organization responsible for the medal. We should particularly like to have a copy of the medal designed by you for the Butler Memorial medal of Columbia University. If you do not feel that you can authorize the striking of such a specimen, will you kindly refer me to the individual who would have authority to grant this request.

Trusting that we may count on your cooperation, I beg to subscribe myself,

Very truly yours,

Curator.

I should like very much for you to have a copy of the Butler Memorial medal for Columbia University.

I belive you can get the authority from Prof. Boring, Avery Hall or through the Secretary of the University Mr. Fackenthal.

If you are unable to obtain it I shall be glad to do all I can.

Mr. Howland Wood,
The American Numismatic Society,
Broadway and 155th Street, N. Y.

Dear Sir:

Your letter of June 18, inquiring about a copy of the Butler Memorial Medal, is at hand. It seems to me that if you send a request to Mr. Frank D. Fackenthal, Secretary of the University, he can probably furnish you with a medal.

Yours very truly,

William A. Boring,
Director.
